

**NuTru**® PRESENTS

# Vegan Brain Pak®

Three of our most popular products, for maximum health benefits and maximum value.\*

**Vegans are smarter. Well, they would be if they took these.\***

- ▶ This package contains all three of the NuTru® companion products in one package at a special price
- ▶ Many users of the different products, including P-Tidyl-Wei<sup>1</sup>®, E-Toca-Chi<sup>2</sup>® and O-Mega-Zen<sup>3</sup>, find that these three products work best if taken at the same time. In fact, omega-3s such as DHA work well together with tocotrienol (vitamin E) and phosphatidylserine.
- ▶ The Vegan Brain Pak® contains all three products, each with their distinctive packaging in a different color. The Vegan Brain Pak® really stands out, whether it is sitting at home on the shelf, or on a counter or shelf in the store.

Now under evaluation as a leading nutraceutical combination for brain health and cognitive function.\*
