

NuTru® PRESENTS

E-Toca-Chi²®

150 Milligrams of Highly Potent Tocotrienol Vitamin E Complex

Harness the Power of Chi with more than twice the normal Vitamin E.*

- ▶ Researchers are now studying tocotrienols (natural Vitamin E), like E-Toca-Chi²®, in terms of promoting a decrease in cell damage and inflammation related to certain central nervous system conditions.
- ▶ Natural vitamin E, especially tocotrienols, may counteract build-up of plaque to increase vascular flexibility, especially in relation to certain circulation conditions.

Tocotrienol is now under evaluation as a natural vitamin E for promoting brain and cardiovascular function.*
